(A woman walks up to a cashier  
and dumps an armful of supplies  
onto the counter)

MARIA

Hi, there's a 15% off sale going on right?

CASHIER #1

Yes, It'll apply for everything but the toothpaste.

MARIA

Fuck!

CASHIER #1

Woah, ma'am. This is a Walgreens. Take that kind of language  
to 7/11.

MARIA

7/11?

NARRATOR

That's right, 7/11! The perfect place for when you're just on  
the edge of a breakdown, but not quite there yet. Founded by  
Charlie Sheen in a motel, 7/11 strives to serve you when  
you're at your lowest.

MARIA

How does it work?

NARRATOR

Well shut your whore mouth and I might tell you. Hm? Just  
kidding, that's the kind of fun we have here at 7/11!

MARIA

*(Laughs and puts her middle  
finger up.)*

NARRATOR

That's the spirit! From the moment you walk in the door, we  
promise you'll see a bunch of shit that makes you think,  
"who'd buy this at a 7/11?" Items such as cat food, insulin  
readers, and insurance plans.

MARIA

This epipen from 2012 is 75% OFF!

NARRATOR

7/11 provides you with everything you need to feel emotionally validated. Do you have unresolved anger issues?

BRIAN

Oh, sure!

NARRATOR

7/11 guarantees an aggressive man in line will make a bizarre off-color statement, giving you the moral high ground to commit assault.

MIKE

*(Mumbling unintelligibly)*

BRIAN

What did he say?

NARRATOR

It doesn't matter. Go for it!

*(Brian shrugs and punches Mike in the face. They fight until they're off stage.)*

*(Maria goes to open a door)*

NARRATOR (CONT'D)

Woah! What are you doing?

MARIA

Oh, I'm just going to the bathroom.

NARRATOR

First of all, you need to buy something. Second of all, 7/11 requires all visitors to sign a waiver before using any of the facilities.

MARIA

A waiver for what?

NARRATOR

Just sign it! Didn't you drink a Big Gulp right before this?

MARIA

Yeah, I guess so...

*(Maria signs the waiver and opens the door to the bathroom)*

Oh my GOD!

*(Maria gags, horrified)*

NARRATOR

Don't worry about being interrupted either, 7/11 employees are given explicit instructions to not care whether you live or die.

*(Cashier #2 gives the thumbs up)*

CASHIER #2

I'm paid whether you keeping breathing or not.

MARIA

THE SINK WATER BURNS LIKE ACID!

BRIAN

*(Brian runs with Mike chasing him)*

HE'S GOT A GUN!

NARRATOR

7/11, There is no God here!

*(Blackout)*
